

Geriatric Post-Acute Specialists is a group of dedicated medical professionals who specialize in post acute care.

JOB OPENING:

Acute Care Nurse Practitioner/Physician Assistant Geriatric Post-Acute Specialists – Austin, TX/Round Rock, TX

Looking for an experienced Acute Care NP or PA

The Advanced Practitioner (Physician Assistant or Nurse Practitioner) is responsible for assisting in the care of patients in a long term acute care setting under the supervision of a physician. As with any other health care professional, the advanced practitioner is charged with being a patient advocate in the medical care system.

Schedule: 7on/7off

Shifts: 7a-7p; 7p-7a

Open Positions: 2 FTE's Days – Austin, TX
 2 FTE's Days – Round Rock, TX
 2 FTE's Nights – Austin, TX

Qualifications:

- Effective communication skills
- Function as the primary health provider with facility staff and Attending Physician
- Professional in appearance and manner
- Exhibits an attitude of inquiry towards medical practices and patient care outcomes
- Ability to build goodwill through interaction with patients and patient families
- Computer skills/EMR experience
- Comfortable in ICU setting
- Knowledgeable in coding and billing

Education:

Certified Registered Acute Care Nurse Practitioner, Medical Physician Assistant with current license to practice in the state of Texas, as determined by the job location. Physician Assistants must also have a current certification through the National Commission on Certification of Physician Assistants (NCCPA).

License/Training:

Texas License | DEA | ACLS Required

Competitive salary

Benefits: PTO, Holidays, Medical/Vision/Dental/Life Insurance, Simple IRA

Job Type: Full-Time
